True Heart/Royal Oak

There had been no further progress on this item.

Work to the Dingle

Cllr Stevens, as church warden, had been approached to store materials for the works in the church car park. The Royal Oak car park is to be used also. He had been informed that they were looking to appoint contractors and they were hoping to complete before Christmas. He had received an email from SBC to present to the PCC. After being informed of this, Cllr Thomas had chased for a response from Martin Fry (SBC) again but had not received one. Action: The Clerk is to keep this item on the next agenda.

10. Accounts to be Paid

The cheques shown in Appendix 1 of the Agenda were presented for approval.

The Clerk's salary and timesheet had been sent to the Chair of the Finance Sub-Committee for checking before the agenda had been issued.

The Chair of the Finance Committee had asked that the Parish Online invoice should be validated and the requirement for the Parish Online mapping tool renewal should be minuted. Cllr Greenhalgh informed Cllrs that this was the mapping service that the Parish Council have rights to use. It is the basis of all the maps that are on the website. If the Parish Council were

not to continue their usage of this, the website would have to be changed. And he would lose all mapping and the walks. He has checked how many hits the site walks page received. It was 178. It is used every other day by someone. Cllr Greenhalgh had used the maps extensively when he had negotiated with UK Broadband and they helped him to find the right site for the mast. He was of the view that every parish Council should have a good mapping tool. There is a lot more potential data that could be utilised (e.g. accident information and flood boundaries). He considered this was a very valid service at a reasonable cost.

The cheques were proposed for payment by Cllr Stevens seconded by Cllr Cooke and agreed unanimously by those present.

11. Correspondence

The Chair enquired about the Special Expenses correspondence and the Clerk explained that this was the annual paperwork that she completes at the request of SBC.

The Chair asked whether anyone wished to see any items of correspondence; none did.

12. Parishioners Feedback/Complaints

Hedgerows in High Street, Bishopstone

Cllr Thomas reported that he had received complaints about the hedgerows along the High Street and into the Forty obstructing the Highway from both sides. This is having a narrowing effect. The problem is from Dormers, High Street to the pumping station and possibly sections beyond.

Action: The Clerk is to write to Highways and the Housing Association housing manager.

Action: Cllr Thomas is to speak to Henry Stoye at Eastbrook Farm.

Plantation

Cllr Thomas reported that there are a lot of branches that need clearing back. A small working party could be organised to undertake these works subject to permission being sought from Eastbrook farm.

Action: Cllr Thomas is to speak with Henry Stoye at Eastbrook Farm

Go Ride

Cllr Greenhalgh had received a complaint about the bus service as it had not arrived on one day. Cllr Greenhalgh had contacted Go Ride and had been informed that the driver had been ill and only 1 bus had been able to operate instead of 2. There had not been time to update the webpage. He explained that this is a very small scale operation and that any outage was critical for parishioners as there is no back up. The parishioner has been linked to David Harrison of GoRide via his email if she wishes to progress this. He went on to say that any bus service was better than none, but parishioners would have to accept that it is not failsafe.

Representative for Bishopstone Village Hall Committee

Cllr Greenhalgh had been asked if a PC representative could be appointed for the village hall committee. Cllr Greenhalgh is to take on the role.

Action: Cllr Greenhalgh is to contact the secretary to let her know the decision.

Hinton Parva Septic Tank

Action: The Clerk is to write to Brian Skeffington(SBC) copying in Cllr Bennett. (Complete)

The meeting closed at 8.22 pm.
